**Canadian Aboriginal AIDS Network (CAAN)
12th Annual General Meeting
June 14th-17th, 2010
Marriott River Cree Resort
Enoch, AB T7X 3Y3**

Workshops should be designed to provide delegates and guests with practical and in-depth knowledge and skills. Preferred abstracts should relate to Aboriginal people who are infected with Hepatitis C or HIV/AIDS and Hepatitis C Co-infection, including addictions-related topics.

The conference will include:

- Physical, Emotional, Spiritual and Mental well-being;
- Epidemiology;
- Building our Knowledge the Need for more Research.

Due to limited funds, we cannot accept team presentations, thus only one presenter per abstract.

Delegates will include representatives from regional Aboriginal AIDS Service Organizations, Addictions Services Organizations, Hepatitis C Organizations and Aboriginal people living with Hepatitis C and/or HIV/AIDS and health workers from diverse backgrounds.
